Poplar Hall Plantation

This wonderful home in Poplar Hall Plantation in Williamsburg offers a quiet & relaxing lifestyle. The updated kitchen overlooks the backyard & opens to the dining area which flows into the living room. Thoughtful updates such as flooring & crown molding add to the charm of this wonderful home. The 1st floor primary bedroom offers a full bathroom & walk-in closet. The other two bedrooms are on the 2nd floor & share a full hall bath. Step out to the spacious back yard with play set, large above ground pool, & privacy fencing; perfect for relaxing, playing, entertaining. Owners removed trees to add even more space & there are endless opportunities to create your own oasis! Enjoy the detached 2-car garage that can be used as a workshop or home gym or converted back to a traditional garage. Appliances, windows, & water heater are newer. You will appreciate the convenience to I-64, 199, shopping, military bases, Busch Gardens, Water Country, and Colonial Williamsburg.
